Barn quilts are painted quilt squares on weatherproof boards that are attached to barns, outbuildings, fences, store fronts, homes, or indoors. A single square of a quilt design is enlarged to 4' x 4', 3' x 3' or 2' x 2' for indoor or outdoor spaces.

*These lively quilt "signs" have been appearing in many rural communities across the country. We are bringing them to this area and using our efforts to raise money for Craig County Library. Our young library is growing and providing all kinds of good services to the entire county. Please help us support it!*

Most barn quilt blocks are made up of simple geometric shapes that include large blocks of color. These patterns are the easiest to spot and enjoy from a distance. The owner may choose a pattern because it was used in a favorite quilt, honors a loved one, because of its name, or just because it appeals. There are thousands of choices, so each one can be unique.

If you or your family or friends are interested in knowing more about this project or wish to commission a barn quilt, please contact Martha Dillard at [barnquiltsforbooks@gmail.com](mailto:barnquiltsforbooks@gmail.com).
